years (2002-06) for Orissa are as under:

Sl.No.	Programmes	Area in lakh ha. Area Developed	(Rs. in crore) Expenditure
1.	NWDPRA	0.52	22.45
2.	RVP & FPR	0.07	3.35
3.	IWDP	4.05	65.89
4.	DPAP	3.11	52.47
	TOTAL	8.75	144.16

Availability of milk

1801. SHRI S. ANBALAGAN: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that production and per capita availability of milk is very less when compared to the developed countries;

(b) if so, the details thereof and the reasons therefor;

(c) whether it is also a fact that milk production and per capita availability of milk is very less in southern States particularly Tamil Nadu when compared with the northern States; and

(d) if so, the details thereof, State-wise and the steps proposed to be taken to reduce regional imbalances in the production of milk and its availability?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI TASLIMUDDIN): (a) India stands first in milk production; however, the per capita availability of milk in the developed countries is more than that of India.

(b) Per capita availability of milk of few developed countries as per Food

& Agriculture Organization (FAO) website, is as under:

Countries	Per capita availability of milk 2004 (gm/day)
Italy	601.56
UK	655.51
USA	661.42
Germany	741.52
France	777.5
Switzerland	887.7
Sweden	848.03

The per capita availability of milk in India in 2004-05 was 229 gm per day. Low productivity of animal and large human population are the main reasons for lower per capita availability.

(c) and (d) Yes Sir. The per capita availability and production of milk for Tamil Nadu and other States are given in the Statement. (*See* below) The following schemes are being implemented for improving the quality and quantity of milk:

(i) National Project on Cattle and Buffalo Breeding.

(ii) Animal Disease Control.

(iii) National Project on Rinderpest Eradication.

(iv) Foot and Mouth Disease Control Programme.

(v) Fodder Development Scheme.

(vi) Intensive Dairy Development Programme & Strengthening Infrastructure for Quality & Clean Milk Production.

Statement

Per capita availability and production of milk in various States during 2004-05

States/UTs	Milk Production 2004-05 (000 tonnes)	Availability(gm/day) 2004-05
Andaman & Nicobar Island	24	165
Andhra Pradesh	7257	250
Arunachal Pradesh	48	114

States/UTs	Milk Production 2004-05 (000 tonnes)	Availability(gm/day) 2004-05
Assam	739	72
Bihar	2974	92
